Geography Smash PYQ 3

110 MT (rice), 110 MT (wheat)

Reasons for transformation into Net food exporter

- Green Revolution
 - HYV Seeds for wheat & rice
 - wheat production rose from 10MT to 110 MT.
- Self reliance policies
 - FCI was established in 1965 for procurement, storage & distribution of foodgrains → stabilised the market.
 - minimum support price → encouraged farmers to produce more & provided fair returns & mitigated risks.
- LPA reforms → liberalised export policies like

Fig: Prod'n of foodgrains.
