

ULTIMATE ASSESSMENT PROGRAM 2026

TAUGHT BY MENTORS OF **AIR 2, 22, 48** & MORE AT CIVILSDAILY

AN ASSESSMENT-FOCUSED MENTORSHIP PROGRAM TO CRACK UPSC IN ONE ATTEMPT

I did my own research and made a conscious call to the Civilsdaily team to enroll in the UAP Mentorship Program. Civilsdaily is the first platform to bring 'Mentorship Led Prep' for UPSC CSE. So I knew they must be good at it. I knew I didn't want any typical or conventional help. I needed something that would help me crack the exam in the minimum number of attempts, A path of least resistance. My Mentor Ranadhir Sir ensured that.

UAP Mentorship takes you from a basic to an exceedingly advanced level of preparation in a few months. All of my prep was online and with a job. I opted for UAP because first, I needed accountability & second integrated plan, mock tests and assessments to measure progress. These are the pillars of the UAP program. I didn't have much time and to make best use of my time I enrolled in UAP mentorship which is a wonderful program. If I could do it, I am sure this program can deliver for you, too.

Civildaily UAP Mentorship**

The Only Yearlong Mentorship Program You Need To Crack UPSC-CSE.

Enrolled & Recommended by AIR 2 (First Attempt, 473 in GS Mains & 133 in Essay)

Firstly, let's understand What exactly you need to crack UPSC-CSE in One Attempt.

- ✓ **Goal Setting** is the basic pillar of any preparation strategy. You need to precisely know what you'll cover by what date every month. This also helps in avoiding burnout or digressing from the right track.
- ✓ You need a holistic '**Assessment-based approach**' that covers the whole Syllabus in the shortest possible time while leaving room for revision
- ✓ '**Comprehensive & concise notes**' on the most relevant micro themes based on PYQs trends and Ranker's recommendation
- ✓ A well-planned, practical '**Revision Strategy**' with one goal: Qualify Pre & Mains.
- ✓ Understand the '**Theme & Demand**' of the Mains questions and have a ready reference bank of "Intro-Body-Conclusion" combinations to develop a muscle memory with repeated themes
- ✓ Last but not least, getting '**Sharp Feedback**' from your Mentors on each attempted Mock test for Pre and Mains.. Make all mistakes in your mocks so you have none left for D-Day!

Secondly, let's understand

Why you must rethink the UPSC preparation and how UAP Mentorship differs from all other Programs.

Traditional methods, often limited to just covering syllabus by conducting 1: many classes, can lead to a misconception that the crux of Pre and Mains prep is attending classes, some mock tests and reading model answers. However, this is merely 10% of the overall strategy. And when your target is getting a rank in minimum attempts, the stakes are even higher. Here's a snapshot of how UAP takes the preparation to the next orbit:

- Sit with a mentor and create your initial fortnightly study schedule to cover syllabus and attempt a mock at the end of it to know where you stand every month
- Practiced Mocks? Even better. Imagine an expert (Mentor of AIR 2,22,48 and more) giving the sharp feedback to improve in your next test. Advising you on how to gain those crucial extra marks per question! Get the X-Factor in
- Solved Pre and Mains PYQs? Excellent. Now, sit with us and map out the UPSC syllabus on key Mains themes using PYQs to prioritize revision
- Created Mains Revision Notes? Awesome. Now, let's craft concise one-pagers per theme with updated examples and dimensions
- Got a timely evaluated copy? Super. What next? Do you know actionable points to work on before you write your next mock?

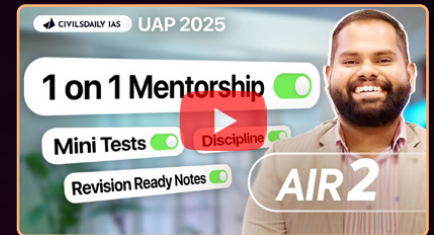

If you still believe in old ways, then UAP Mentorship isn't for you. But if you have tried old ways and realized their futility, apply for UAP Mentorship today.

What is the Ultimate Assessment Program?

UAP is NOT your regular course. It's an ecosystem that takes care of your entire UPSC preparation, from fine-tuning your strategy to rank Improvement. In 2023, the AIR 2 was the top rank from UAP apart from other rankers. Many of these aspirants cleared in their very 1st attempt, and others cleared for the 1st time in their last and 2nd last attempts.

They comfortably qualified Prelims and scored above 400 in their GS Mains papers. If you want an IAS, IPS, IFS rank, 400+ in your UPSC Mains attempt, Smashing Mains is a must. If you want to make your rank Interview-proof, aim for nothing less than 450+. This alone is a strong enough reason why UAP is a unique program because it cuts through the random clutter and brings extreme focus and clarity in aspirants preparation.
